Thanks for checking out the brand new, first of its kind, SoL Newsletter!

There are so many great ways that SoL Loves God, Loves Others, and is Changing the World...we don't want you to miss out on anything!

See something that interests you? Go to our website to find out more or ask one of our incredible staff to fill you in. But most of all, get involved! We are SoL, together!

How is it going in San Tan? Our second campus is now worshipping weekly!!! Members of SoL are now gathering on Sundays at 10:30am in the Copper Basin YMCA for worship as well as children and teen Sunday School. The space is open and full of light! The music is well done and lead by joyful leaders! The connections between people are growing every time we meet!!

How can I be a part of the growth of our church? Pray. Volunteer. Make a new friend. Introduce yourself to someone you don't know well while you're at church on Sundays. Say hello again the next week and listen as they tell you about themselves. Then get involved in a way that goes beyond Sunday.

Perhaps you and your new friend have something in common and find that you want to meet together mid-week. Or maybe you feel called to assist in one of the many roles that makes Sundays happen. You can even participate in a Bible study, a Table of Eight, or another small group in order to push your walk with God a bit deeper.

Bring a friend. This is the way that our church grows. Sure, we like it when someone sees an ad or a Facebook post and decides to come to SoL. But really, the way that people become a part of our village is because a friend brings them along. Pray that God will help you know who you can invite and for ways that your desire for them to share in Christian community can be communicated genuinely.

Hope your February is filled with lots of LOVE and some SoL!
